

From: Havana

To: Moscow

No: 240

10 September 1944

[Address unidentified] [a].

Diplomatic couriers SMIRNOV
and PANASENKO arrived from MEXICO
9 September.

[Signature uncovered] [b].

Notes:

[a] Name begins GO, probably GON;
signed all MOSCOW messages in the
1940's dealing with diplomatic
couriers and is the only individual
known to have been addressed there
on the subject. (Many such
messages have no individual
address.)

[b] The known HAVANA signature ZAIKIN
does not work here; the message is
probably signed by the head of the code
office as is usual in such messages, e.g., New York
